

Boardwalk Bingo

Walk the boardwalk from Chesser Island to the Owl's Roost Tower at Chesser Prairie and Seagrove Lake. On this boardwalk you can get close to plants and animals safely. You will walk from upland forest habitat through scrub-shrub and prairie habitats to a 40-foot tower that overlooks open water habitat.

As you see plants and animals near the boardwalk, cross their picture off below. Cross off five (5) squares in a row to get Bingo.
