2008 Youth Archery Hunt

Savannah National Wildlife Refuge's seventh annual youth archery deer hunt is scheduled for October 1-31, 2008. This hunt will take place within the former Solomon Tract (Oak Grove Bluff), which is located in Chatham County, Georgia about four miles west of Port Wentworth off Georgia Highway 21. Only youth hunters (15 years of age or younger), supervised by an adult (21 years of age or older) may participate in the hunt. Each youth hunter must obtain this hunt information packet, which includes a permit; an unlimited number of permits will be issued. Additional packets are available at the Savannah Coastal Refuges office located on Chatham Parkway (1000 Parkway Business Center, Suite 10; Savannah, GA) or may be downloaded from the refuge website (www.fws.gov/savannah). The office is open Monday through Friday, 8:00 am – 4:30 pm (912/652-4415).

The map provided in the hunt information packet provides an aerial view of the Solomon Tract, and a vicinity map with directions to the entrance gate accessible from Georgia Highway 21. There are no designated boat landings on the Tract which is bordered by the Savannah River to the east, the Seaboard Coastline Railroad to the north and west, and a dirt road (leading to the entrance gate) to the south. Youth supervisors are cautioned that private property bordering the refuge is closed to hunting; be familiar with signs which mark the refuge boundary.

For further information regarding the refuge or hunt management, please contact the Savannah Coastal Refuges office.
