National Wildlife Refuge Hunting and Fishing Regulations 2011-2012

Big Branch Marsh National Wildlife Refuge General Fishing and Hunting Regulations

The regulations listed below supplement Louisiana State hunting and fishing regulations and the general regulations governing hunting and fishing on National Wildlife Refuges set forth in Title 50, Code of Federal Regulations. All plants and wildlife are protected unless a specific Refuge hunting season allows take of wildlife under this permit.

All hunters must possess a Refuge permit. This brochure, when signed and in your possession, serves as a permit for all 2011 - 2012 Refuge hunts.

The refuge is closed at night, except night use is permitted at the Lake Road area which includes Lake Road and attached refuge parking areas.

Hunters may not enter the Refuge before 4:00 a.m. and must exit no later than two hours after legal sunset for that day. Waterfowl hunting must cease by 12:00 p.m. and all decoys and blinds must be removed by 1:00 p.m..

Refuge areas closed to public hunting are marked with “No Hunting Zone” signs and/or shown on the map attached to this brochure.

Persons possessing, transporting or carrying firearms on National Wildlife Refuges must comply with all provisions of state and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27 . 42 and specific refuge regulations in 50 CFR Part 32).

Hunters may erect temporary deer stands one day prior to the start of deer archery season. Hunters must remove all deer stands within one day after the archery season closes. Hunters may place only one deer stand on the refuge. Deer stands must have owner’s name, address, and phone number clearly printed on the stand. All untagged stands are subject to forfeiture or seizure.

All State approved archery equipment will be allowed as a legal means of take during the deer archery season.

Youth hunters under the age of 16 must be supervised by an adult at least 21 years of age during all hunts. Two youths may be supervised by one adult during small game and migratory bird hunts. An adult may only supervise one youth during big game hunts. Youth must remain within normal voice contact of the adult who is supervising them.

Parents or adult guardians are responsible for ensuring that hunters under the age of 16 do not engage in conduct that would constitute a violation of the refuge regulations.

Hunters participating in the special dog season for rabbits are required to wear a “hunters orange” cap.

Motorized vehicles are only permitted on public roads and designated parking areas.
