

Introduction

Black Bayou Lake National Wildlife Refuge is one of over 540 national wildlife refuges. The primary objective of a national wildlife refuge is to provide habitat for the conservation and protection of all species of wildlife. The harvest of animals is one tool used to manage fish and wildlife populations. Carefully managed hunting and fishing help maintain these populations at a level compatible with the environment, provide wholesome recreational opportunities, and permit the use of valuable renewable resources.

The regulations in this pamphlet supplement the general regulations governing hunting and fishing on national wildlife refuges as set forth in Title 50, Code of Federal Regulations. Hunting and fishing will be in accordance with applicable state regulations except as noted below.

As you use the refuge, take pride in America and the refuge resources. Report violations promptly. Respect the rights of others using the refuge.

Warning

Use caution when operating boats or wading in flooded areas of the refuge. Obstructions/obstacles may be submerged and unmarked.

All boats must comply with state law and display proper navigation lights from sunset to sunrise.

Daylight use only except for legal hunting.

General Hunting Regulations

Permits

A signed refuge hunting permit (front of this brochure) must be carried by all hunters.

Restricted Areas

Hunting is restricted in certain areas as shown on the hunting map. No hunting is allowed within the maintained rights-of-way of the roads, ATV trails and electric transmission lines shown on the map. Hunters may not access the hunting area by boat from the public launch site.

Hunters may enter the refuge no earlier than 4 am and must exit no later than one hour after legal shooting hours unless otherwise specified.

Youth

The definition of youth hunters on the refuge is as follows: 17 years old and under for all hunting except for migratory bird hunts, youth must be 15 years old or under. Youths must be closely supervised (in sight and in normal voice contact) by an adult at least 21 years old. An adult may supervise only one youth on a big game hunt and no more than two youths on a small game or waterfowl hunt. Youth hunters are no longer required to have completed a hunter education course to hunt on the refuge.

Firearms and Ammunition

It is the responsibility of visitors to understand and comply with all applicable state, local and federal firearms laws before entering the refuge.

For public safety reasons, hunters are prohibited from discharging a firearm within 100 feet of the centerline of public roads, maintained refuge roads or rights-of-way, including ATV trails and electric transmission lines. No hunting on or within 50 feet of an oil or gas well tower. Target practice is prohibited on the refuge.

Firearm ammunition, used for hunting, larger than a .22 caliber rim-fire, shotgun slug, or buckshot are prohibited. Lead shot is prohibited for all hunting, except buckshot, when authorized.

Safety

Hunters participating in special dog season for rabbit hunting must wear an orange hat. Although highly recommended, the International Bowhunters Education certification is no longer required to archery deer hunt on the refuge.

Disabled

Medically certified disabled sportsmen that need assistance should contact the Refuge Manager.

ATV Regulations

ATVs are permitted on trails designated for their use (see map). The trails are marked with signs and will be closed March 1 through August 31. ATVs are prohibited from one hour after legal shooting hours to 4 a.m. Raccoon hunters may not use ATVs. ATV tires are restricted to those no larger than 25 x 12 with a maximum 1” lug height and a maximum allowable tire pressure of 7 psi. as indicated on the tire by the manufacturer. ATVs cannot exceed 750 lbs., 85” in length and 48” in width. Use of all other ATVs or ATV tires is prohibited on the refuge.

Prohibited Activities

- Camping
- Open fires
- Littering
- Possession of deer decoys
- Overnight parking
- Commercial fishing
- Target practice
- Launching boats with motors greater than 50 horsepower.
- Taking of wildlife (including frogs, turtles and mollusks) and plants other than specified in refuge regulations

2011-2012 Hunting Seasons/Regulations
