- The Sharpe-Elva Water Management Units are closed to all entry from November 1 through March 31, with the exception of drawn permit holders. During periods of high water or flood, unauthorized persons shall not enter upon the Sharpe-Elva Water Management Units by boat for any purpose. High water or flood conditions do not affect or change the Water Management Area boundary, which is marked with white "Area Beyond This Sign Closed" signs.
- Possession or use of alcoholic beverages.
- Taking of wildlife (outside legal hunting season) or plants (including cutting trees and brush) is prohibited.
- No unauthorized person shall use or direct the rays of a spotlight or other artificial light, or automotive headlights for the purpose of spotting, locating or taking any animal within the boundaries of the refuge or along right-of-way for public or private roads within the refuge.
- Hunting of any wildlife by the aid of or distributing any feed, salt or other minerals.
- The use or possession of electronic calls is prohibited.

### Weapons/Ammunition

Firearms, archery tackle and crossbows are not permitted unless used in an authorized Refuge hunting activity.

No person shall discharge a firearm or carry a loaded firearm **on or within** 200 feet of any home and within 100 feet of the abandoned railroad tracks owned by the refuge and graveled refuge roads. (Loaded firearm is defined as shells in gun or cap on muzzleloader.)

Shotguns are limited to no larger than 10 gauge. All shotgun ammunition must meet legal shot size requirements for each species being hunted. (The use of rifles and pistols for small game is limited to **rim fire only**.)

### Vehicles

The use of all-terrain vehicles (ATVs) and/or any unlicensed vehicle is prohibited on all refuge property.

Licensed vehicles are permitted on open graveled roadways only. Abandoned railroad tracks are not considered a roadway. **Vehicles blocking refuge gates will be towed.**

Bicycles are permitted while engaged in wildlife related activities on refuge graveled roads and portions of the abandoned railroad tracks that are owned by the Clarks River NWR.

### Animals/pets

Dogs are allowed for hunting migratory birds, squirrel, raccoon, opossum, rabbit, quail and turkey during designated seasons only. Other dogs and pets must be confined or on a leash.

The running or training of dogs outside the hunting season for a particular species is permitted by special use permits only. For information on obtaining a special use permit for running dogs call the Refuge Headquarters at 270/527 5770.

### Specific Hunting Regulations

Deer and turkey harvested on the Refuge must be telechecked through the Kentucky Department of Fish and Wildlife Resources at 1 800/245 4263 with public land code for **Clarks River NWR**.

Hunters under the age of 16 must be supervised by an adult 21 years of age or older, and must remain in sight and normal voice contact with the adult. On small game hunts the adult may supervise no more than two youths, on big game hunts no more than one youth.

Hunter orange must be worn as required by state regulations. **Caution:** other non-hunting members of the public may be in the area and not wearing hunter orange during hunting seasons.

To retrieve or track game from a posted closed area of the refuge the hunter must first receive authorization from the Refuge Manager at 270/527 5770 or the Refuge Law Enforcement Officer at 270/703 2836.

Hunters may not kill or cripple a wild animal without making a reasonable effort to retrieve the animal and harvest a reasonable portion of that animal and include it in the person's daily bag limit.

### Waterfowl Quota Hunt

Waterfowl hunting will be allowed on the Sharpe-Elva Water Management Units by a quota draw hunt only. The Units will be closed to all entry with the exception of the drawn permit holder and their guests.

The Mallard Point Unit will be open on Saturdays and Sundays of the statewide waterfowl season, with the exception of the modern rifle or muzzleloader deer seasons, for the drawn permit holders. The Redhead Unit will be open on Tuesdays and Wednesdays of the statewide

waterfowl season, with the exception of the modern rifle or muzzleloader deer seasons, for the drawn permit holders.

- To obtain a permit a person will be required to fill out a post card with their name, address, and telephone number and submit to Clarks River National Wildlife Refuge, P. O. Box 89, Benton, Kentucky 42025. The postcard must be received by October 15 to be considered for the drawing.

"An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. OMB had approved this information collection and assigned control number 1018-0140 which expires January 31, 2012."
- Only one entry may be submitted per person. Preferred dates and areas (Mallard Point or Redhead) may be requested on the card. If the dates or areas have already been assigned then refuge personnel will select the first available date and area remaining. Individuals drawn for the quota hunt will be notified within 2 weeks of the drawing by the U.S. Mail.
- To be considered eligible for the drawing the individuals must be at least 16 years of age and possess valid and current state and federal licenses and stamps for hunting waterfowl. Hunters under 16 years of age may submit a postcard for the youth hunt weekend drawing.
- Permit holders will be allowed to hunt their assigned blind or area on the designated date.
- The individual drawn may bring up to three guests with them to the blind/area. Guests are not allowed in the blind/area without the attendance of the permit holder (no exceptions).
- No person may sell, trade or barter their permit. The permit is the sole property of the permit holder and is non-transferable. If a person cannot make it to the blind on the dates they are drawn for, the blind will be considered closed for those dates.
- No watercraft is allowed in Sharpe-Elva Water Management Units with the exception of drawn permit holders, which may use watercraft to access their assigned blind and retrieve waterfowl.
- Hunting will cease at 12 noon each day; this means equipment picked up and firearms unloaded. Hunters must be out of the field by 2 pm.

**General Information**

Clarks River National Wildlife Refuge is one of over 548 National Wildlife Refuges administered by the U.S. Fish and Wildlife Service. The primary objective of a National Wildlife Refuge is to provide habitat for the conservation and protection of all species of wildlife. The harvest of surplus animals is one tool used to manage wildlife populations. Carefully managed hunts maintain wildlife populations at a level compatible with the environment, provide recreational opportunities and permit the use of a valuable renewable resource.

Public hunting and fishing on Clarks River National Wildlife Refuge is currently permitted on approximately 8,500 acres located in Marshall, McCracken and Graves counties in western Kentucky. All refuge property is clearly marked on the outside boundary with yellow paint hash marks and blue goose boundary signs. Some landowners adjacent to the refuge may mark their boundary with blue paint hash marks and no trespassing signs.

Individuals utilizing the Refuge are subject to inspections of permits, licenses, hunting equipment, game bag limits, boats, vehicles, and their contents by Federal or State law enforcement Officers.

**Volunteers**

The refuge offers a wide variety of volunteer opportunities. To receive more information or an application, please contact the refuge headquarters at 270/527 5770.

**Friends of Clarks River National Wildlife Refuge**

The Friends of the Clarks River NWR is a nonprofit group formed to give assistance and support for refuge projects and educational programs. To obtain more information or a membership form, contact the refuge headquarters at 270/527 5770.
