## National Wildlife Refuge Hunting and Fishing Regulations 2009-2010

### The Refuge

Catahoula National Wildlife Refuge, located in east central Louisiana, 12 miles east of Jena, was established on October 28, 1958 and now totals 25,242 acres.

The 6,671 acre Headquarters Unit borders nine miles of the northeast shore of Catahoula Lake, a 26,000 acre natural wetland renowned for its large concentrations of migratory waterfowl. The 18,571 acre Bushley Bayou Unit, located 8 miles west of Jonesville, was established May 16, 2001. The acquisition was made possible through a partnership agreement between The Conservation Fund, American Electric Power, and the Fish and Wildlife Service. Catahoula NWR is now part of the Central Louisiana Refuges Complex administered out of the Grand Cote NWR Headquarters Office located at 401 Island Road, Marksville, LA 71351, 318/253 4238. The complex also includes Lake Ophelia NWR.

### General Regulations

Hunting and fishing regulations are designed to provide recreational opportunities through the wise use of renewable wildlife resources. Hunting and sport fishing are permitted in accordance with the Federal regulations governing public use on national wildlife refuges as set forth in Title 50, Code of Federal Regulations. Hunting and fishing will be in accordance with applicable State regulations subject to conditions contained within this brochure.

Individuals utilizing the refuge are subject to inspections of permits, licenses, hunting equipment, bag limits, boats, vehicles, and their contents by refuge officers.

The refuge is open to public access for hunting and fishing from 4:00 a.m. to two hours after sunset, with the exception of French Fork road which is open for access to Catahoula Lake 24-hours/day.

Youth under 16 years of age must possess a Hunter Safety Certification Card or proof of successful completion of a hunter safety course and be accompanied by and remain in sight and normal voice contact of an adult 21 years of age or older. Each adult must have a refuge permit and can supervise only one youth during deer hunts and not more than 2 youths during all other hunts.

### Permits

An annual Special Recreational Activity Permit is required for all hunters and fishermen 16 years old and older, and for all terrain vehicle (ATV) use on the refuge. The Central LA NWR Special Recreational Activity Permit applies to all refuges within the complex (Lake Ophelia, Grand Cote, and Catahoula). Permits are available at the Catahoula NWR Office, located **on US Highway 84, approximately 12 miles east of Jena, LA, and 1 mile west of the junction of highways US 84 and LA 28.** Office hours are Monday through Friday 7:00 a.m. to 3:30 p.m., except for federal holidays when the office is closed. Permits may also be

purchased **at the** Grand Cote National Wildlife Refuge office, 7 miles west of Marksville, LA on Hwy 1194. Office hours are Monday through Friday 7:30 a.m. to 4:00 p.m., except for federal holidays when the office is closed. **On** weekdays and weekends, permits may be purchased at Dupuy's Grocery store, located 7 miles north of Marksville on Hwy 452. To order permits by mail, send us your name, address, phone number, and \$15.00 (money order or cashier's check: personal checks not accepted) to the Refuge address shown on the front of this brochure. Refuge permits authorize participation in all refuge hunting and fishing and use of ATV's . The permit must be signed and in your possession whenever hunting, fishing, or using an ATV on the refuge, and acknowledges your understanding of refuge regulations.

### Disabled

Medically certified, disabled sportsman that need assistance should contact the Refuge Manager. The fishing pier located on Cowpen Bayou is wheelchair accessible.

### Commercial Activities

Commercial hunting, fishing and Crawfishing activities are prohibited. Specifically, we prohibit any person or group acting as a hunting guide, outfitter, or in any other capacity that any other individual pays or promises to pay directly or indirectly for services rendered to any other person(s) hunting on the refuge, regardless of whether such payment is for guiding, outfitting, lodging or club membership. Anyone planning to pursue a commercial activity on refuge land, lake, bayous or waters is advised to contact the refuge manager for information on permitted commercial activities and special use permits.

### Firearms/Bows

Archery equipment and primitive weapons as defined by the State of Louisiana are permitted during the applicable Refuge Hunt

When traversing the refuge by boat or land conveyance (vehicle), including ATVs, all firearms (including muzzleloaders) and archery equipment must be unloaded and cased. An unloaded firearm is defined as having no ammunition in the chamber, magazine, cylinder, or clip when attached to the firearm. An unloaded muzzleloader is defined as having the percussion cap completely removed. Unloaded archery equipment is defined as having the arrow removed from the string. Crossbows must also be uncocked.

### Ammunition

Only shotgun shells with approved non-toxic shot, .177 and .22 caliber rimfire ammunition maybe used or possessed on the refuge while hunting small game. The possession of slugs or rifle ammunition larger than .22 caliber rimfire is permitted only during refuge deer firearm hunts. The possession of buckshot is prohibited.

### Methods of taking game

The use of climbing spikes; attaching stands to trees with nails, screws, or bolts; hunting from a tree into which a metal object has been driven is prohibited. Construction of or hunting from a permanent blind or stand is prohibited. Hunting from stands attached to power poles in right-of-ways is prohibited.

Only portable deer stands may be used. Deer stands may be erected one day before the archery season and must be removed from the refuge within one day after the season closes. Hunters may place only one deer stand on the refuge. Deer stands must have the owners name, address and phone number clearly printed on the stand. Stands must be placed in a non-hunting position when not in use.

### Safety

All hunters (except waterfowl hunters) must wear hunter orange including orange hat during the refuge gun deer hunt as per state deer hunting regulations on WMAs.

### Restricted Area

Hunting is restricted in certain areas as shown on the hunting maps. No hunting is allowed within the maintained rights-of-way of the roads and ATV trails shown on maps.

### Motorized Vehicles

All motorized vehicles are restricted to roads that are delineated on refuge map. Vehicle wheels with a wheel-tire combination having a radius of 17 inches or more from the center of the hub (measured horizontal to ground) are prohibited. The vehicle speed limit shall not exceed 25 mph except as otherwise legally posted.

### All Terrain Vehicles (ATVs)

Use of all-terrain vehicles (ATVs) is restricted to designated trails. ATVs are allowed only for hunting, fishing, and other wildlife related activities. ATVs will not exceed 25 mph when driven on the Refuge.

ATVs used on Refuges will not exceed the following: weight – 750 lbs., length – 85”, and width – 48”. ATV tires are restricted to those no larger than 25 x 12 with a maximum lug height of 1” and a maximum allowable tire pressure of 7 p.s.i. as indicated on the tire by the manufacturer. ATV trails are open from September 1 through the last day of Refuge rabbit season. Some ATV trails are open year round for fishing access and are indicated on the map.

### Headquarters Unit Only

During the state waterfowl season hunters may transport unloaded and encased or dismantled shotguns, and legally taken game, across the refuge when traveling to and from the French Fork boat ramps during the state waterfowl season via the French Fork Road.

Archery season is closed during refuge deer gun hunt south of French Fork of Little River. Hunting is closed during the high water conditions when Catahoula Lake elevation is at 42.0 feet or above. The lake level can be monitored at the following website: <http://www.rivergages.com>– Vicksburg District of the Ouachita River Basin.

Feral hogs and raccoons may be taken during all hunts.

### Fishing

Only pole/line or rod/reel fishing for finfish is permitted. No snagging. Crawfishing and jug fishing on Headquarters Unit prohibited. Cowpen Bayou and the Highway 28 borrow pits are open to fishing year-round. Muddy Bayou, Duck Lake, Willow Lake, Highway 84 borrow pits, and all other refuge waters are opened to fishing from March 1 - October 31. Only non-motorized boats or boats with motors of 10 horsepower or less are permitted on the Headquarters Unit waters. Small boats that are hand carried to the water may be launched at non-boat ramp sites. Boats may not be left on the refuge overnight.

### Bushley Bayou Unit Only

All motorized vehicles are restricted to designated refuge roads only. See Bushley Bayou Unit map. Driving off any designated ATV trail or road is prohibited.

Hunting is closed during high water conditions when Catahoula Lake elevation is at 44.0 feet or above, except waterfowl. The lake level can be monitored at the following website: <http://www.rivergages.com>– Vicksburg District of the Ouachita River Basin.

Hunting is permissible with pointer/retriever dogs during migratory bird seasons and with rabbit and squirrel dogs during the rabbit and squirrel season following the last muzzleloader deer hunt until the end of the State rabbit season. No more than two dogs per hunting party for squirrel hunting. All dogs must be collared with owner’s name and phone number. Use of dogs to trail wounded deer or hogs is prohibited.

### Fishing

Recreational fishing and crawfishing is allowed year round. For crawfishing, only pyramid nets made with cotton or nylon webbing will be permitted. The harvest limit is 100 pounds per permit per day. All nets must be attended at all times and may not be left on the refuge overnight. No commercial crawfishing is permitted on the refuge. Artificial crawfish bait, melt, and fish may be used, with the exception of catfish heads. All used and un-used crawfish bait must be retained. All bait discarded on refuge property will be considered littering. Permittee’s may not give or sell fish to: commercial fishermen or persons who sell fish or employees or family members of commercial fishermen. Only 10 horsepower motors or less are allowed on interior lakes within the Bushley Bayou Unit.

Trotline must be tended at least once every 24 hours and reset when exposed by receding water levels and must be attached with a length of cotton line that extends into the water. A maximum limit of 100 hooks per trotline and no more than 4 trotlines per boat is allowed. Both ends of the trotline must be labeled with name, address and phone number. Trotlines must be removed when not in use. Yo-yo’s and jugs must be attended (within sight) and used only during daylight hours. A maximum limit of 25 jugs and 25 yo-yo’s per boat is allowed. Jugs and yo-yo’s must be attached with cotton line. Nylon line prohibited.

We prohibit bank fishing on Bushley creek and all fishing in Black Lake, Dempsey Lake, Long Lake, Rhinehart Lake, and Round Lake, during the deer-gun and deer-muzzleloader hunts. We prohibit fishing in Black Lake, Dempsey Lake, Long Lake, Rhinehart Lake, and Round Lake, during waterfowl hunts.
