

Introduction

D’Arbonne National Wildlife Refuge is one of over 540 national wildlife refuges. The primary objective of a national wildlife refuge is to provide habitat for the conservation and protection of all species of wildlife. The harvest of animals is one tool used to manage fish and wildlife populations. Carefully managed hunting and fishing help maintain these populations at a level compatible with the environment, provide wholesome recreational opportunities, and permit the use of valuable renewable resources.

The regulations in this pamphlet supplement the general regulations governing hunting and fishing on national wildlife refuges as set forth in Title 50, Code of Federal Regulations. Hunting and fishing will be in accordance with applicable state regulations except as noted below.

As you use the refuge, take pride in America and the refuge resources. Report violations promptly. Respect the rights of others using the refuge.

Warning

Use caution when operating boats or wading in flooded areas of the refuge. Obstructions/obstacles may be submerged and unmarked.

All boats must comply with state law and display proper navigation lights from sunset to sunrise.

General Hunting Regulations

Permits

A signed refuge hunting permit (front of this brochure) must be carried by all hunters.

Restricted Areas

Hunting is restricted in certain areas as shown on the hunting map.

Refuge hunting seasons apply to all navigable waterways that are wholly within the refuge boundary.

Hunters may enter the refuge no earlier than 4 am and must exit no later than two hours after legal shooting hours unless otherwise specified.

Youth

The definition of youth hunters on the refuge is as follows: 17 years old and under for all hunting except for migratory bird hunts, youth must be 15 years old or under. Youths must be closely supervised (in sight and

in normal voice contact) by an adult at least 21 years old.

An adult may supervise only one youth on a big game hunt and no more than two youths on a small game or waterfowl hunt. Youth hunters are no longer required to have completed a hunter education course to hunt on the refuge.

Firearms and Ammunition

It is the responsibility of visitors to understand and comply with all applicable state, local and federal firearms laws before entering the refuge.

For public safety reasons, hunters are prohibited from discharging a firearm within 100 feet of the centerline of public roads, maintained refuge roads or rights-of-way, including ATV trails and electric transmission lines. No hunting on or within 50 feet of an oil or gas well tower. Target practice is prohibited on the refuge.

Firearm ammunition, used for hunting, larger than a .22 caliber rim-fire, shotgun slug, or buckshot are allowed only during refuge gun deer season. Lead shot is prohibited for all hunting, except buckshot, when authorized.

Safety

All hunters (except waterfowl hunters) must wear hunter orange including orange hat during the refuge gun deer hunt as per state deer hunting regulations on WMAs. Hunters participating in special dog season for rabbit hunting must wear an orange hat. Although highly recommended, the International Bowhunters Education certification is no longer required to archery deer hunt on the refuge.

Disabled

Medically certified disabled sportsmen that need assistance should contact the Refuge Manager.

Summary of Recent Regulation Changes

- Either sex deer gun hunting season is November 5-6, 25-27, and December 3-4, 2011.
- All deer harvested during gun hunts must be checked out at check station (see map for locations).
- Squirrel hunting permitted during State season except Spring season and during refuge deer gun hunts.

Prohibited Activities

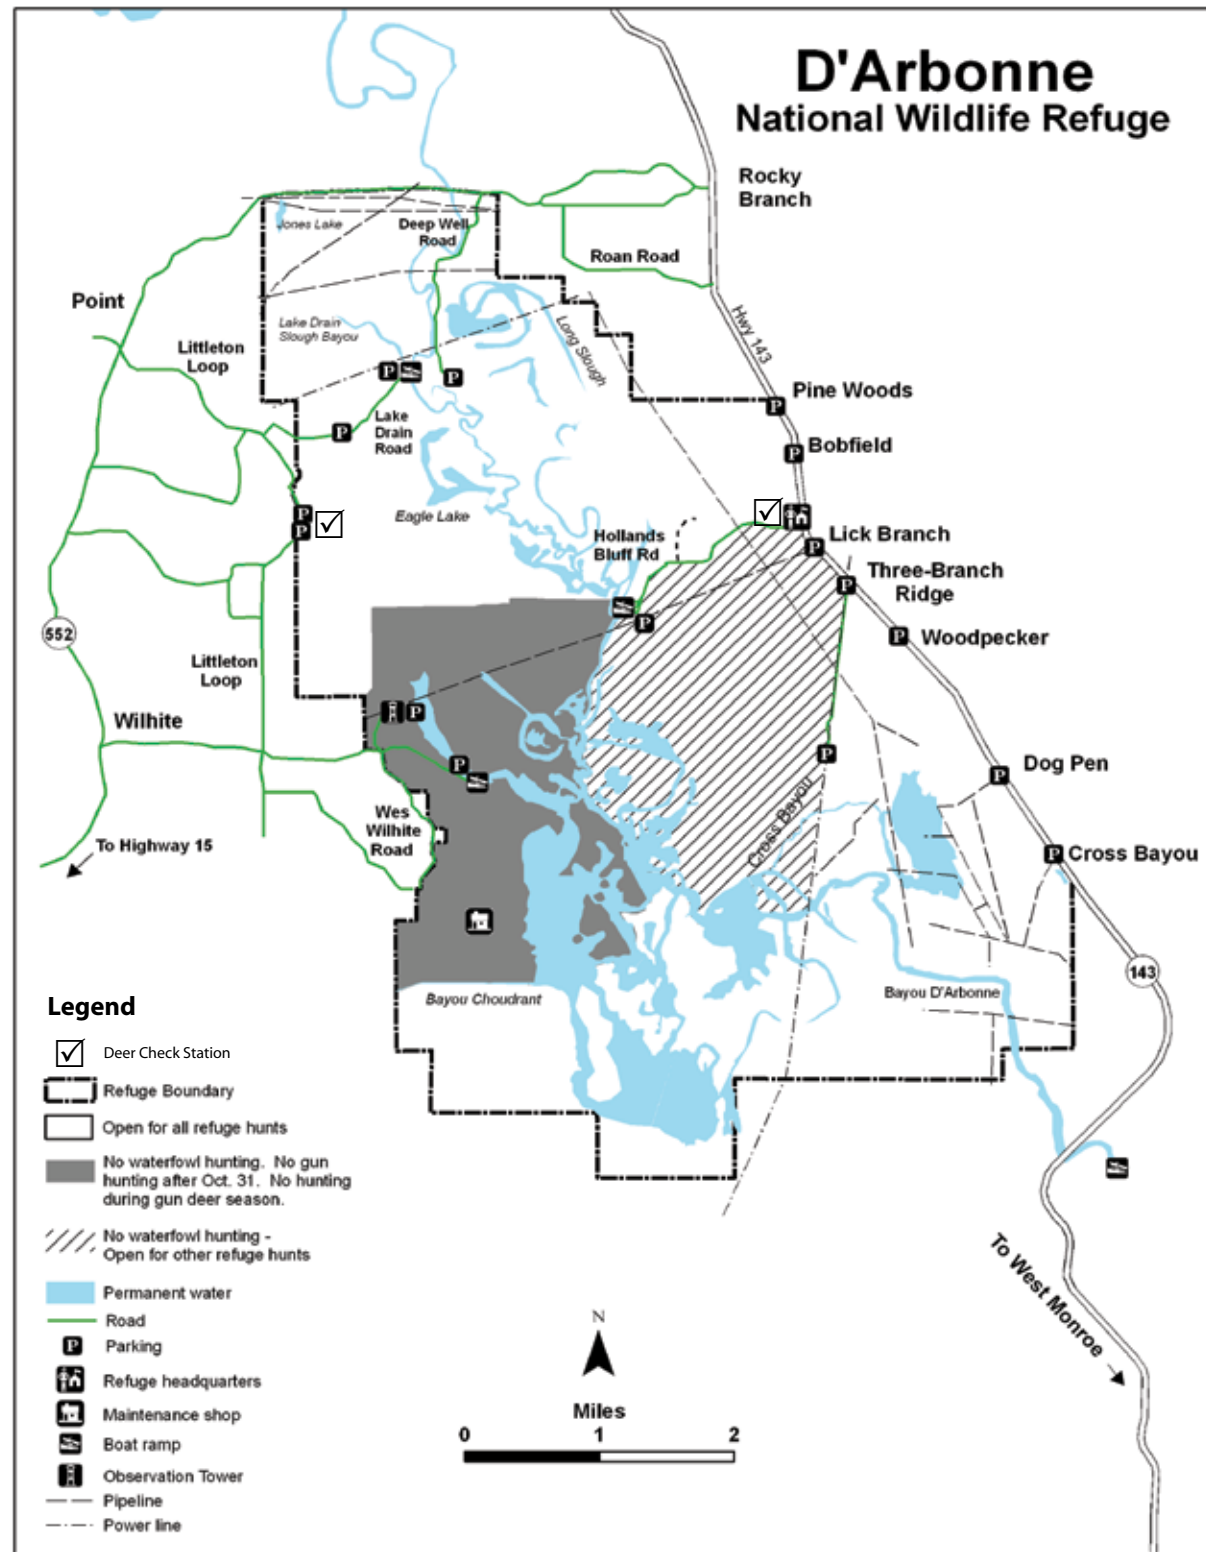

- Camping
- Open fires
- Littering
- Possession of deer decoys
- Overnight parking
- Overnight mooring of houseboats
- Target practice
- Taking of wildlife and plants other than specified in refuge regulations
- Using motorized vehicles off the designated public access roads. This includes motorcycles, ATVs, jeeps, cars, trucks, etc. Parking is restricted to parking areas and along public access roads which are shown on map.
- ATVs
- Use of personal watercraft (jet skis)
- Taking or possession of waterfowl, big or small game, fish, or plants by use of a guide or outfitter.
- Driving or screwing a nail, spike, or other metal object into a tree or hunting from any tree in which a nail, spike, or other metal object has been driven or screwed.
- Possession or distribution of bait while in the field and hunting with the aid of bait, including any grain, salt, mineral, or any non-natural occurring food attractant on the refuge.
- Participating in deer drives
- Possessing or using alcoholic beverages while hunting
- Searching for or removing any object of antiquity, including arrowheads, pottery or other artifacts
- Using horses and mules except by special permit
- Leaving personal property unattended (includes boats, deer stands, blinds, decoys)
- Leaving flagging or other trail markers

2011-2012 Hunting Seasons/Regulations

<i>Type</i>	<i>Season Dates</i>	<i>Specific Regulation</i>
Ducks, Goose, Coot	State season	Hunting until noon. See map for areas closed to waterfowl hunting. No hunting during Special Teal Season or Youth Waterfowl Season. Recognized breeds of retrievers may be used for hunting. Construction of and/or hunting from permanent blinds is prohibited. Boats, blinds, and decoys may not be left unattended.
Quail, Woodcock	State season	Recognized breeds of bird dogs may be used for hunting.
Squirrel, Rabbit	State season, except closed in spring season and refuge deer gun hunts.	Dogs may be used for hunting after the last refuge deer gun hunt.
Raccoon, Opossum	Dec 1, 2011-Jan 31, 2012 for night hunting. May be taken during daylight hours of rabbit and squirrel season.	Elevated levels of mercury contamination have been found in refuge raccoons. It is recommended that they not be eaten. Raccoons taken on the refuge may not be sold for human consumption.
Coyotes, and Beaver	All refuge hunts	No bag limit—may be taken only with weapons legal for particular season.
Deer Archery	State season	See map for area closed during gun deer season. Possession or use of pods is prohibited. Limit of one antlerless and one antlered deer per day. Possession or distribution of bait while in the field and hunting with the aid of bait is prohibited, including any grain, salt, mineral, or any non-natural occurring food attractant on the refuge.
Deer Gun	Nov 5-6, 25-27, and Dec 3-4, 2011 either sex	Still hunting only. Limit of one antlerless and one antlered deer per day. Possession or distribution of bait while in the field and hunting with the aid of bait is prohibited, including any grain, salt, mineral, or any non-natural occurring food attractant on the refuge. All deer harvested during gun hunts must be checked out at check station.
Restricted Deer Hunt	Nov 19 -20, 2011	All hunters must carry a Class I –wheelchair bound permit issued by the LA Dept of Wildlife & Fisheries. Only permitted hunters can carry firearms. Limit of one antlerless and one antlered deer per day. Possession or distribution of bait while in the field and hunting with the aid of bait is prohibited, including any grain, salt, mineral, or any non-natural occurring food attractant on the refuge.
Trapping	State season	Special \$10 trapping permit required.Apply at refuge office.
Frogging	State season	See state regulations.
Fishing and Boating	Year round	See state regulations. Exceptions: Commercial fishing is prohibited. Recreational fishing using commercial gear (slat traps, etc.) requires a special refuge permit. Ends of trot lines must be attached by a length of cotton line which extends into the water. Trotlines and yoyos must be tended daily. Trotlines lacking cotton line or having exposed hooks are subject to removal by refuge personnel.

D'Arbonne

National Wildlife Refuges Public Use Regulations 2011-2012

Signs and Boundaries

Signs are useful tools in regulating the use of a public area. The wording applies to the areas behind the signs. Pay attention to the signs, watch for boundary corners, and check your location with the maps.

This sign marks the refuge boundary. Public entry by foot is generally authorized at all times on the refuge. However, other refuges in the system may have different regulations concerning general entry. Always know the regulations before entering.

This sign means that the area is closed to all entry. Do not trespass behind this sign for any reason other than an emergency.

This sign means no motorized vehicles beyond this point. This applies to all cars, trucks, jeeps, all-terrain vehicles, and motorcycles. Non-motorized bicycles are allowed.

This sign marks the boundaries of the waterfowl hunting areas on the refuge.

Warning

Mercury contamination has been documented on the refuge. On July 29, 1992, the State of Louisiana issued the following consumption regarding fish from the Ouachita River:

For pregnant women and children (less than seven years of age), consume no bass, and limit consumption of other species of fish to two meals per month (a meal is considered to be half a pound of fish for an adult). For non-pregnant women, men and children (seven years of age and older), limit the consumption of bass to two meals per month, and there is no limit on other species of fish.

Elevated levels of mercury have been found by the Fish and Wildlife Service in other species of fish and it is recommended that no fish caught on the refuge be eaten.
