

Oklahoma Wind Energy Project Description Datasheet

U. S. Fish and Wildlife Service
Oklahoma Ecological Services Field Office

The following is a datasheet containing basic information that will assist the U.S. Fish and Wildlife Service (Service) in evaluating your proposed wind energy project. We require a minimum of 30 days to review and respond to complete requests. However, complex projects may require additional review and response time.

LOCATION:

State _____ County _____ Nearest City or Town _____

Legal Description _____
(e.g., all or portions of sections 1-36, Township 1 North, Range 1 West, Indian Meridian)

FEDERAL NEXUS:

Are you a federal agency? (Yes or No)* _____

Are you a designated non-federal representative? (Yes or No)* _____

Does this project require authorization or a permit from a federal agency? (Yes or No)* _____

Does this project receive any financial assistance from a federal agency? (Yes or No)* _____

* If you answered yes to any of the federal nexus questions, please provide the name of the agency, a copy of the letter declaring your designated non-federal representative status, what type of permit or authorization is required, if you have received the permit or authorization, and/or what type of financial assistance is being provided in the ADDITIONAL INFORMATION section of this datasheet.

PROJECT DESCRIPTION:

Name of the project _____

Total number of wind turbines _____

Height of towers (ground surface to nacelle, feet) _____

Length of blades (feet) _____

Height of total structure (feet) _____

Megawatts/turbine _____

Total project megawatts _____

Total length of all access roads (feet) _____

Width of access roads (feet) _____

Diameter of pad for turbine (feet) _____

Total length of transmission line required to connect to transmission grid (feet) _____

Total number of acres leased for project _____

Will Federal Aviation Administration (FAA) obstruction marking and/or lighting be required?
(Yes or No) _____

Estimated construction dates (start and end) _____

Method and equipment used for construction _____

Erosion control measures _____

Revegetation methods _____

Are there additional phases of development planned? (Yes or No) _____

LAND USE AND HABITAT:

Current land use(s) of area within project lease _____

Are wetlands present within the area under project lease? (Yes or No) _____

BIOLOGICAL EVALUATIONS:

Have any types of biological evaluations, surveys, and/or monitoring been completed related to the proposed project? (Yes or No) _____

If yes, please provide details in ADDITIONAL INFORMATION section of this datasheet and a complete copy of all materials, including the contact information for those that conducted the work.

Are any types of biological evaluations, surveys, and/or monitoring planned for the proposed project? (Yes or No) _____

If yes, please provide details in ADDITIONAL INFORMATION section of this datasheet.

Have you evaluated the proposed project using the Service's Interim Guidance on Avoiding and Minimizing Wildlife Impacts from Wind Turbines (May 13, 2003)? (Yes or No) _____

If yes, please provide complete copy of all materials.

Are you planning to evaluate the proposed project using the Service's Interim Guidance on Avoiding and Minimizing Wildlife Impacts from Wind Turbines (May 13, 2003)? (Yes or No) _____

PHOTOGRAPHS AND LANDSCAPE VISUALIZATIONS:

Please provide representative photographs of the project site (digital format preferred). If available, please provide landscape visualizations with and without the proposed wind turbines.

MAPS AND GEOGRAPHIC INFORMATION SYSTEM DATA:

Please provide as many maps as necessary to depict the location of turbines, substations, transmission line, project office(s), construction and access roads, view shed analyses and any other activities associated with this project. If available, please provide the GIS data used to create the aforementioned maps.

PROJECT CONTACT INFORMATION:

Individual(s) Name _____

Company Name _____

Job Title _____

Address _____

Office phone number _____

Cell phone number _____

Fax number _____

Electronic mail address _____

Relevant websites _____
