Meeting Materials

Regular Meetings

Meeting agendas, summaries or minutes, and other materials may be found on the following pages for upcoming or recent meetings. Available materials from older meetings may be found in TRRP's Online Repository (check the box for 'meetings' and uncheck 'documents' and 'data' - a blank search will return all meetings).

TRRP Partnership Collaboration Workspace

There is also a collaborative workspace for TRRP staff provided by DOI. Use TRRP SharePoint site. Contact the TRRP Data Steward, Eric Paterson, if you are TRRP staff in need of access to this site for internal TRRP activities.

TRRP Monthly Coordination e-mailing

TRRP sends out a monthly coordination bulletin via email. To receive this email, or to provide content, please contact Geanna Jackson.

- Trinity Management Council (TMC)
- Trinity River Adaptive Management Working Group (TAMWG) - hosted by US FWS, Arcata Field Office
- Regular TRRP Work Groups:
 - Data Team
 - Design Team
 - Fish Work Group
 - Flow Work Group
 - Interdisciplinary Team
 - Physical Work Group
 - Riparian and Wildlife Work Group
 - Temperature Work Group
 - Watershed Work Group
- Meeting Materials for other TRRP activities
