TAMWG –

We are scheduled to hold our joint TAMWG/TMC meeting on August 27th; here is the draft agenda:

- **930am:** Meet at Junction City (exact location to be finalized shortly). For those that are interested in ordering lunch, an order form will be available (please bring correct change).

- **930am - 12:00pm:** Field tour to view the completed Junction City project, then move to this year's Lorenz Gulch and Douglas City sites for a quick view of current construction.

- **12:00-1:00pm:** Meet at the Indian Creek Lodge conference room for lunch (lunches previously ordered will be brought here).

- **1:00pm-3:30pm:** Joint TAMWG/TMC discussion (available by Webex):
 - How is the TMC/TAMWG communication? What can we do to improve?
 - Phase 1 Update
 - Decision Support System Status

More details will be forthcoming... thanks!
