Trinity River Adaptive Management Working Group  
Federal Advisory Committee

Subject: March 29-31, 2016, a Meeting of the Trinity River Adaptive Management Working Group (TAMWG) will be held in conjunction with the Trinity River Restoration Program's Science Symposium/Decision Support System Workshop.

Greetings,

The TAMWG will meet at the Trinity Alps Performing Art Center, 101 Arbuckle Court, Weaverville, CA 96093. Meeting times will be from approximately 8:30 a.m. to 5 p.m. Pacific Time on Tuesday, March 29, 2016, and from 8:30 a.m. to 5 p.m. Pacific Time on Wednesday, March 30, 2016, and from 9a.m. to 12 p.m. Pacific Time on Thursday, March 31, 2016. For further information contact: Joe Polos, TAMWG Designated Federal Officer (DFO) by email ([joe\\_polos@fws.gov](mailto:joe_polos@fws.gov)) or by telephone (707) 825-5149.

The primary objective of this meeting The goal workshop is to advance the development and use of a decision support system for the Trinity River Restoration Program (TRRP). The workshop will consist of oral presentations and panel discussions related to four key elements: 1) providing background on DSS and example applications, 2) communicating the status of DSS development for the TRRP and how it can be used in the near term to support decision making, 3) identifying and initiating an approach to resolve key organization and administrative challenges to DSS development and 4) initiating next steps recommended by the Science Advisory Board for implementation of a DSS such as a workplan, schedule, and identifying task leaders.

Individuals with a disability may request an accommodation by sending an email to the point of contact and that accommodation will be provided if possible.

A draft meeting agenda will be available for download from the Arcata Fish and Wildlife Office website at <http://www.fws.gov/arcata>
