

APPENDIX G
PARTICIPATING PROPERTY OWNER ANNUAL QUESTIONNAIRE
20__ CALENDAR YEAR

Certificate of Inclusion (CI No.): _____ Acres Covered: _____

Participating Property Owner Name: _____

Property Address: _____

Please describe conservation activities and land uses that are on-going or that have been implemented in the last year.

1. Reintroductions

Have California red-legged frogs been introduced on the enrolled lands? Yes No
 If so, complete the table below.

Date	No. Egg Masses	Source Location	Were surveys conducted ?	Comment

2. Conservation Activities.

Please circle the types of activities that you will be implementing as part of this Agreement.

- | | | |
|-------------------------------|---------------------------------|----------------------|
| control non-natives | revegetation | reduce pesticide use |
| erosion control | artificial pond | grazing buffers |
| improve hydrological function | improve water quality | predator control |
| frog monitoring | disease monitoring & management | |

List which of these activities have been implemented this year and note whether they differed significantly from the activities described in the Site-Specific Conservation Plan. Include a site map if applicable.

Date	Conservation Activity	Acres	Frequency	Completed?	Comment

What is the general condition of the restored habitat based on the conservation measures implemented? _____

Did the habitat expand, decrease, or stay the same? _____

Are there changes in the quantity or quality of habitat? _____

Are there changes in hydrology or water quality? _____

3. Land Use

Please circle the types of land uses that you will be implementing as part of this Agreement.

- | | | |
|----------------------|----------------------------|-----------------------|
| recreation | agriculture | vegetation management |
| off-highway vehicles | pesticide use | pond management |
| fuel modification | infrastructure maintenance | vegetation impacts |
| ranching | grazing | |
| grading | construction | |

Have there been any changes to the approved lands uses included in the Site-Specific Conservation Plan for the enrolled lands? Yes No If so provide a description of changes including timing and magnitude if applicable.

Land Use Type	Acres	Frequency	Comment

4. California Red-legged Frog Status (Include monitoring reports for any focused frog surveys)

Have any frogs been observed? Yes No If so provide the date, number and approximate location.

Have any dead frogs been observed? Yes No If so provide date, number, approximate location and described circumstances resulting in mortality if known.

5. Tell Us About Your Experience

Have you noticed any changes in the types and numbers of wildlife on your property? In the management areas? _____

Has the program met your expectations? Would you recommend the program to others? Please explain. _____
