

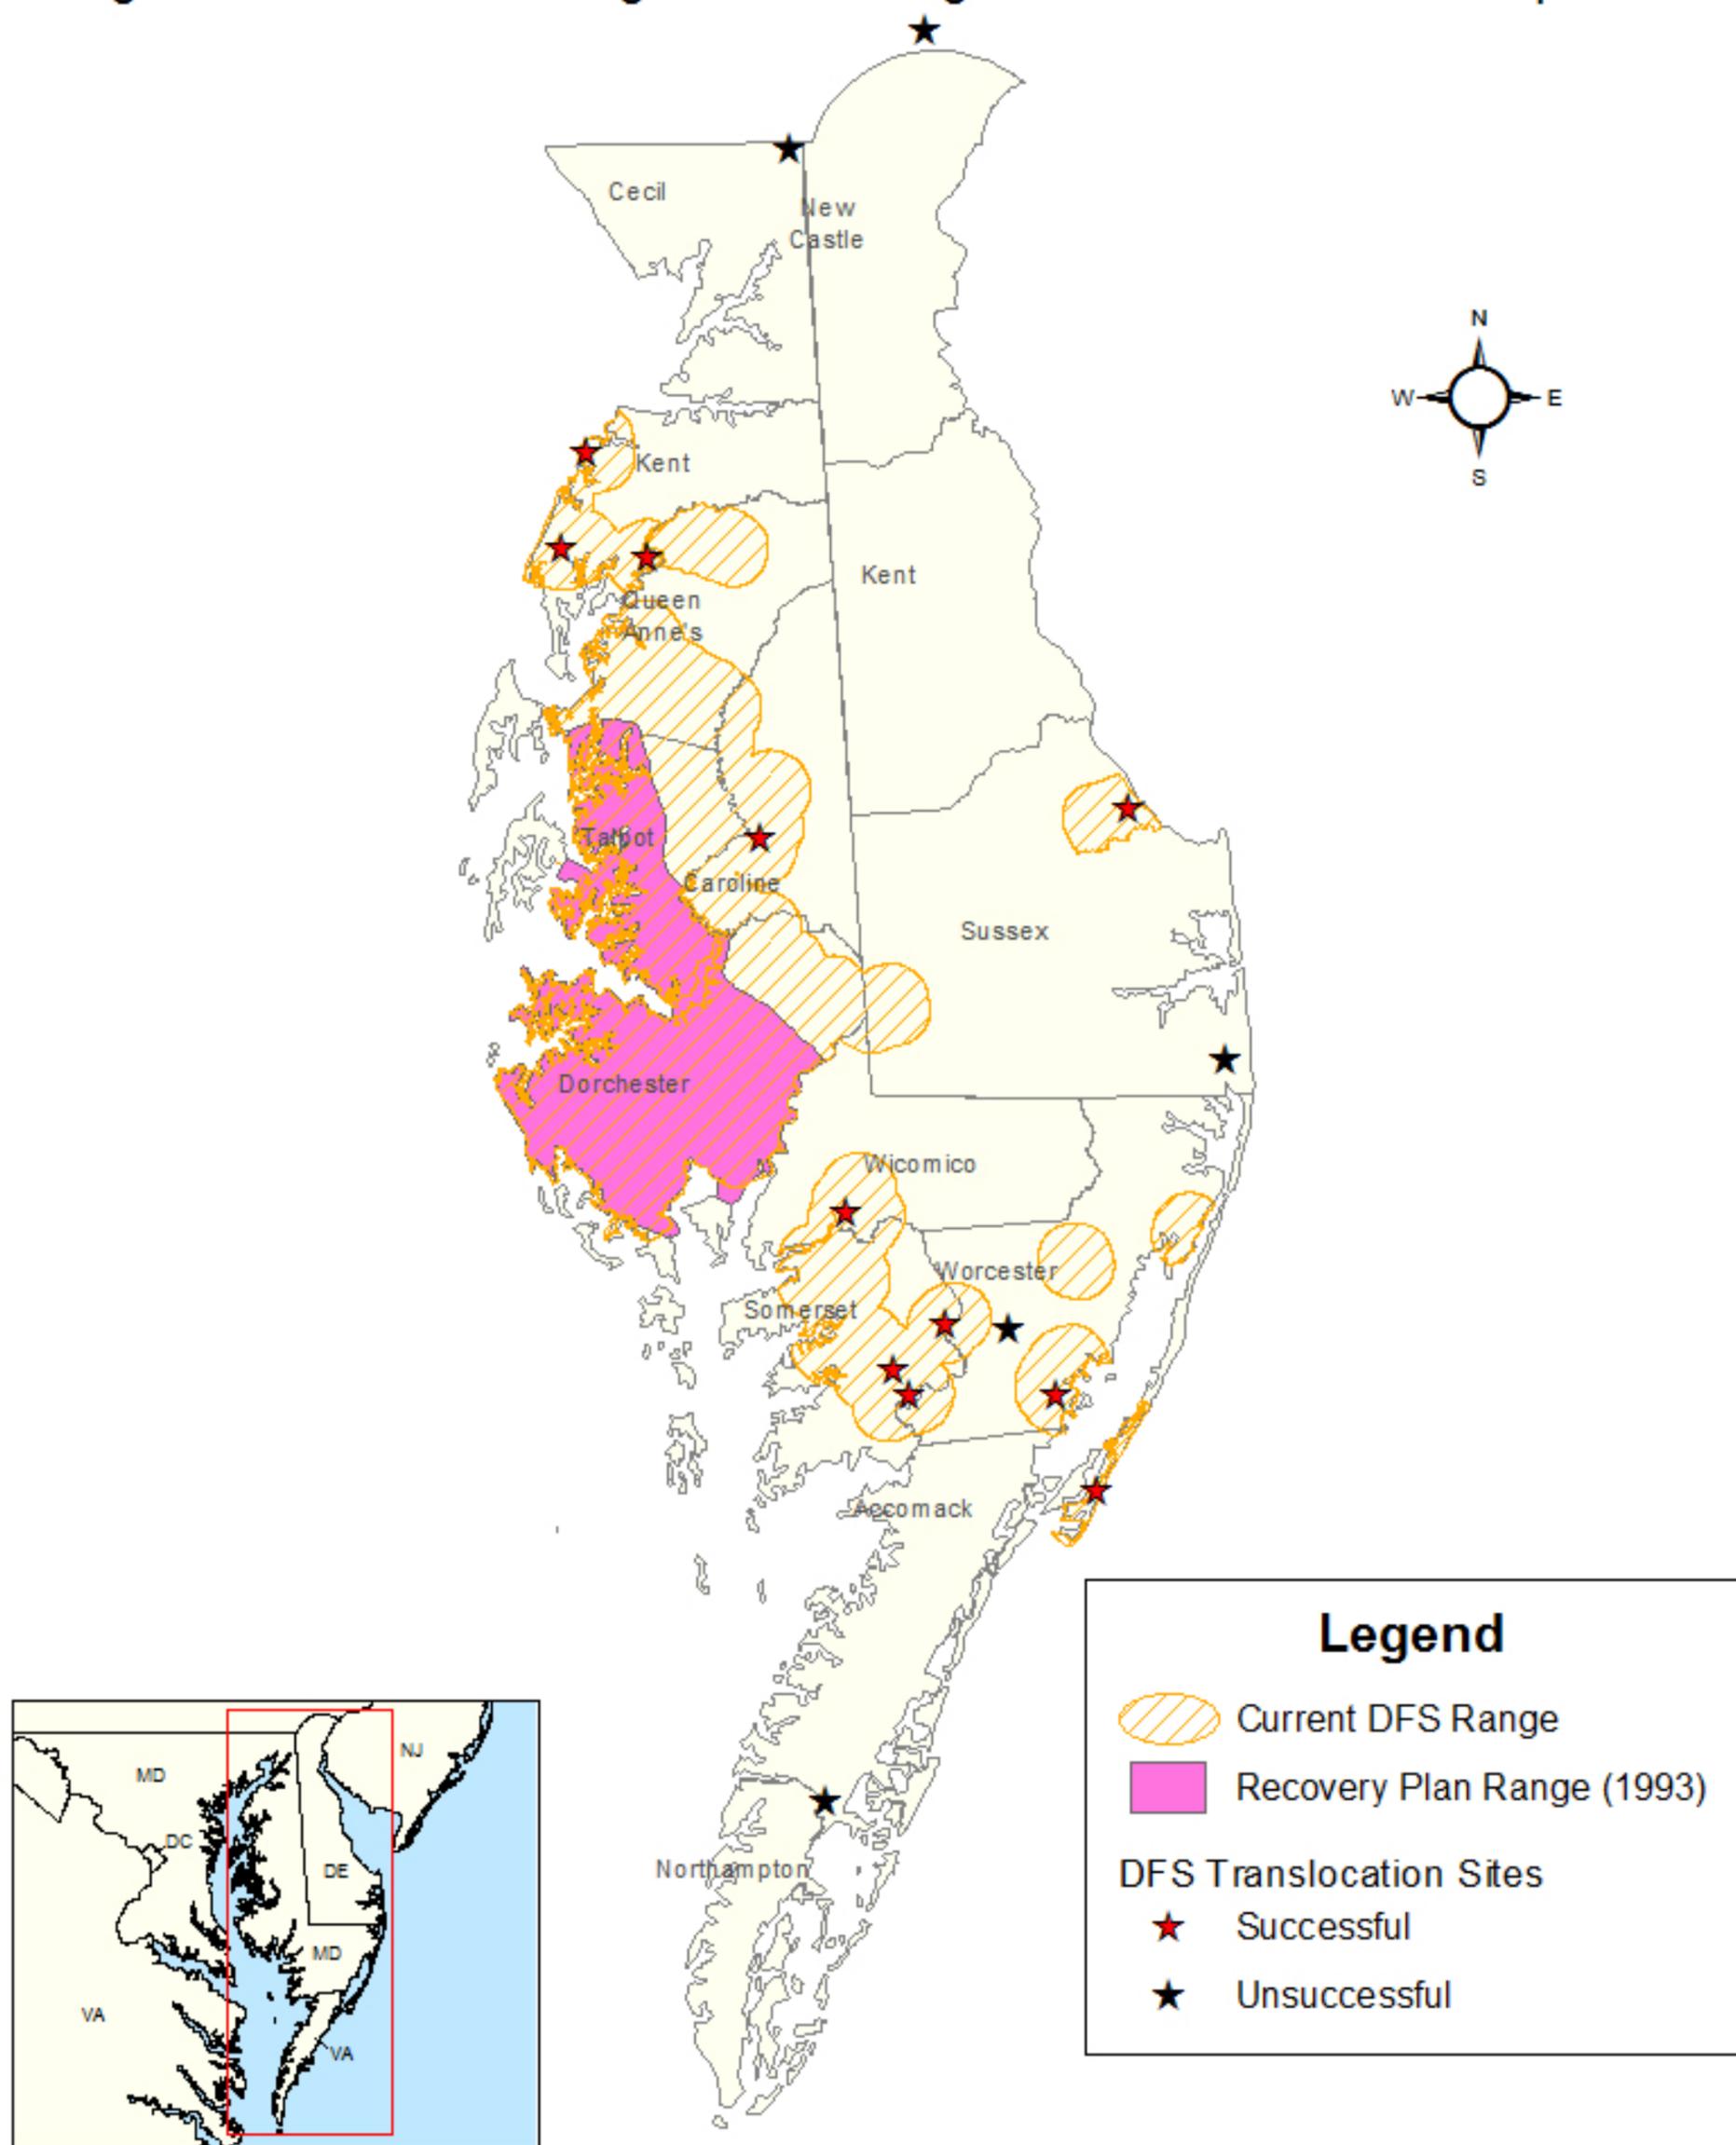

Figure 1. Recent changes in the range of the Delmarva fox squirrel

These data represent the ongoing efforts of the U.S. Fish and Wildlife Service and Maryland Department of Natural Resources to consolidate, summarize, and regularly update existing information regarding Delmarva fox squirrel occurrence. Comprehensive field surveys have not been conducted and changes in this map are expected to occur in the future. This map should be used as a tool to assist decision makers, but cannot provide a definitive statement on the presence, absence or condition of Delmarva fox squirrel populations.

The U.S. Fish and Wildlife Service makes no warranty as to the suitability of this map for any use and assumes no liability for its appropriate use or misuse.
