

U.S. Fish and Wildlife Service

Partners for Fish and Wildlife Program

Twentieth Anniversary: 1987-2007

Artwork copyrighted by Ward P. Hooper, Boise, Idaho

In recognition of the many private landowners and other partners who have worked with the U.S. Fish and Wildlife Service for the past 20 years to conserve fish, wildlife and plant resources throughout the United States of America.

The Partners for Fish and Wildlife Program works with private landowners and other partners, providing financial and technical assistance, to achieve voluntary habitat restoration on private lands to benefit a multitude of species. For more information about the Partners Program, go to <http://ecos.fws.gov/partners>
