OPEN HOUSE/SCOPING MEETINGS
PROJECT TEAMS

Appendix I

Open House/Scoping Meetings – Project Teams

Three project teams were in attendance in the East, Southeast and Midwest regions concurrently. The respective Project Team in attendance and the locations of each of the Open Houses/Public Scoping Meetings are listed below.

Eastern Region

- **Portsmouth, NH – November 5, 2007**

The Scoping Meeting was held at the Portsmouth Courtyard by Marriott. Project representatives included Tony Tur (Service Field Office Representative – Station One), Glenn Smith (Service Regional Manager – Station Two), Rick Hall Jr. (NiSource Representative – Station Three), Pam Chan (AMEC Project Manager – Station Four), and Phil Perhamus (AMEC Biophysical Specialist – Station Five). Caroline Burgess (AMEC) was the Public Outreach Team Lead and circulated amongst the stations.

- **Binghamton, NY – November 6, 2007**

The scoping meeting was held at the Binghamton Regency Hotel and Conference Center. Project representatives included Ann Rafter (AMEC Local Representative – Station One), Robyn Niver (Service Regional Manager – Station Two), Rick Hall Jr., Joe Kopalek, and Rich Yencha (NiSource Representatives – Station Three), Pam Chan (AMEC Project Manager – Station Four), and Chuck Harman (AMEC Biophysical Specialist – Station Five). Caroline Burgess (AMEC) was the Public Outreach Team Lead and circulated amongst the stations.

- **Philadelphia, PA – November 7, 2007**

The scoping meeting was held at the Holiday Inn Express. Project representatives included Annette Scherer (Service Field Office Representative – Station One), Robyn Niver (Service Regional Manager – Station Two), Rick Hall Jr. (NiSource Representative – Station Three), Pam Chan (AMEC Project Manager – Station Four), and Chuck Harman (AMEC Biophysical Specialist – Station Five). Caroline Burgess (AMEC) was the Public Outreach Team Lead and circulated amongst the stations.

- **Richmond, VA – November 14, 2007**

The scoping meeting was held at the Richmond Marriott Hotel. Project representatives included Kim Smith (Service Field Office Representative – Station One), TJ Miller (Service Regional Manager – Station Two), John Shafer (NiSource Representative – Station Three), Pat Mullen (AMEC Project Manager – Station Four), and Chuck Harman (AMEC Biophysical Specialist – Station Five). Katherine Zilm (AMEC) was the Public Outreach Team Lead and circulated amongst the stations.

- **Washington, D.C. – November 15, 2007**

The scoping meeting was held at the Service Offices – Department of the Interior. Because the open house/public scoping meeting was held in the nation's capital, the assumption was that there would be a large turnout so the decision was made to send two teams into Washington, DC. Thus, project representatives included Caroline Burgess and Katherine Zilm (AMEC Representatives – Station One), TJ Miller and Tom Magnuson (Service Regional Managers – Station Two), Rick Hall Jr. and John Shafer (NiSource Representatives – Station Three), Pam Chan and Pat Mullen (AMEC Project Managers – Station Four), and Chuck Harman (AMEC Biophysical Specialist – Station Five).

Southeastern Region

- **Lafayette, LA – November 6, 2007**

The scoping meeting was held at the Best Western Hotel Acadiana & Conference Center. Project representatives included Benjamin Thatcher (Service Field Office Representative – Station One), Lee Andrews (Service Regional Manager – Station Two), Ann Schoolcraft (NiSource Representative – Station Three), Pat Mullen (AMEC Project Manager – Station Four), and Mary Motte Fikri (AMEC Biophysical Specialist – Station Five). Jim Boggs, Debbie Fuller and Bridget Firmin provided additional Service support. Katherine Zilm (AMEC) was the Public Outreach Team Lead and circulated amongst the stations.

- **Jackson, MS – November 7, 2007**

The scoping meeting was held at the Telcom Center. Project representatives included Ray Aycock, Kathy Lunceford, and Shauna Ginger (Service Field Office Representative – Station One), Lee Andrews (Service Regional Manager – Station Two), Ann Schoolcraft (NiSource Representative – Station Three), Pat Mullen (AMEC Project Manager – Station Four), and Mary Motte Fikri (AMEC Biophysical Specialist – Station Five). Katherine Zilm (AMEC) was the Public Outreach Team Lead and circulated amongst the stations. Jimmy Fowler with Columbia Gulf Transmission was also in attendance to provide support to Station Three.

- **Nashville, TN – November 8, 2007**

The scoping meeting was held at the Radisson Hotel at Opryland. Project representatives included David Pelren (Service Field Office Representative – Station One), Mike Armstrong (Service Regional Manager – Station Two), Scott Burnsworth (NiSource Representative – Station Three), Pat Mullen (AMEC Project Manager – Station Four), and Mary Motte Fikri (AMEC Biophysical Specialist – Station Five). Katherine Zilm (AMEC) was the Public Outreach Team Lead and circulated amongst the stations.

Midwest Region

- **Lexington, KY – November 6, 2007**

The scoping meeting was held at the Ramada Conference Center. Project representatives included Carrie Lona (Service, KY Field Office – Station One), Mike Armstrong (Service Regional Manager – Station Two), Kim McNeil (NiSource Representative – Station Three), Brandon Kish (AMEC Project Manager – Station Four), and Marty Marchaterre (AMEC

Biophysical Specialist – Station Five). Cheryl McArthur (AMEC) was the Public Outreach Team Lead and circulated amongst the stations.

- **Columbus, OH – November 7, 2007**

The scoping meeting was held at the University Plaza Hotel. Project representatives included Angela Zimmerman (Service Field Office Representative – Station One), TJ Miller (Service Regional Manager – Station Two), Dale Helmers and Tom Lamadue (NiSource Representatives – Station Three), Brandon Kish (AMEC Project Manager – Station Four), and Marty Marchaterre (AMEC Biophysical Specialist – Station Five). Cheryl McArthur (AMEC) was the Public Outreach Team Lead and circulated amongst the stations.

- **Charleston, WV – November 8, 2007**

The scoping meeting was held at the Ramada Plaza (South Charleston). Project representatives included Tom Chapman (Service Field Office Representative – Station One), Forest Clark (Service Regional Manager – Station Two), Kim McNeil, Beverly Johnson, and Roger Givens (NiSource Representatives – Station Three), Brandon Kish (AMEC Project Manager – Station Four and Station Five). Cheryl McArthur (AMEC) was the Public Outreach Team Lead and circulated amongst the stations.

- **Cleveland, OH – November 13, 2007**

The scoping meeting was held at the Renaissance Cleveland Hotel. Project representatives included Mary Knapp (Service Field Office Representative – Station One), Tom Magnuson (Service Regional Manager – Station Two), Dale Helmers (NiSource Representative – Station Three), Brandon Kish (AMEC Project Manager – Station Four), and Marty Marchaterre (AMEC Biophysical Specialist – Station Five). Cheryl McArthur (AMEC) was the Public Outreach Team Lead and circulated amongst the stations.

- **Pittsburgh, PA – November 14, 2007**

The scoping meeting was held at the Doubletree Hotel and Suites, Pittsburgh City Center. Project representatives included Jaime Johnson (AMEC Local Representative – Station One), Tom Magnuson (Service Regional Manager – Station Two), Rick Hall Jr. and John Knapp (NiSource Representatives – Station Three), Brandon Kish (AMEC Project Manager – Station Four), and Marty Marchaterre (AMEC Biophysical Specialist – Station Five).
