**Desert Tortoise Science Advisory Committee
Open Forum to Interested Parties**

March 31, 2007

**Tucson Marriott University Park
880 E Second Street, Tucson, AZ**

The Desert Tortoise Science Advisory Committee (SAC) meeting on March 31 includes a 2-hour open forum for stakeholders or other interested parties to interact with the SAC. The open forum will be held from 5-7pm at the Tucson Marriott University Park. We intend to make these forums a regular part of future SAC meetings and at other locations that may be more convenient than Tucson. The agenda for the full SAC meeting is available on the DTRO website at:

http://www.fws.gov/nevada/desert_tortoise/dtro_meet_events.html.

If you plan on attending, please contact Roy Averill-Murray (Roy_Averill-Murray@fws.gov) for planning purposes. Also, please submit questions in advance, so they can be forwarded to the SAC for their review prior to the forum.
