

Chehalis Basin

Pacific Lamprey Geocaching Challenge 2015

Chehalis Basin

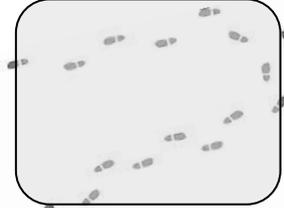

Preachers Slough

Friends Landing

Satsop River

Porter Creek

Discovery Trail

Alexander Park

This Geocaching Challenge is sponsored by the U.S. Fish & Wildlife Service with the intent to educate the public about the Chehalis River Basin and the Pacific Lamprey within. The Pacific Lamprey (*Entosphenus ridentatus*) is a relatively unknown, often underappreciated and declining species of fish that is a critical contributor to ecosystems of the Pacific Northwest and is culturally important to many tribes.

Directions:

- Correctly answer the two trivia questions per cache to obtain the corrected coordinates.
- Locate the cache and use the stamp within to mark the appropriate box on this passport.
- Mail the completed passport to claim your prize.
- Prizes will be awarded for the first 75 completed passports received.

Name: _____
Address: _____
City, State, Zip: _____
Geocaching.com Name: _____
E-mail: _____
