

Readers should refer to the document "Getting Cost to Performance - Mapping ABC to CSFs" for a discussion of the process used to create this "map".

To interpret this information it is critical that the reader have a copy of the Service's Operational Plan. The CSF reference numbers shown in the data refer to the CSF reference numbers in the Ops Plan. A list of the Revised FY 2008 CSFs appears at the bottom of the mapping data.

The FWS FY 2008 Activity Dictionary should be used to review the definitions for each of the FY 2008 ABC work activities.
