

# Dispersers and the Pack Answers

*The "box" is the pack's territory. The red wolf pack is inside the territory! The "dispersers" are the lines outside the territory. Find the name of the pack by placing a letter on each line as you*

*answer the questions*

*Here are the "scent marks" that will allow you to identify the pack's territory!*

1. a payment for removing certain species of animals, such as wolverine; considered "harmful"
2. the voice of the wolf; a major means of wolf communication
3. to bring animals back to a portion of their former range
4. no longer in existence; no longer living on earth
5. the paw print of an animal
6. a natural area defined by its physical characteristics and by the relationships between the plants and animals that live there
7. the act of acknowledging another wolf's higher rank
8. the area where a wolf pack lives and hunts
9. the area between wolf territories not occupied by a resident pack
10. the scientific name for the red wolf
11. a canid predator that often comes to feed on wolf kills;
12. an animal that eats other animals it did not kill but that have died from other causes
