*This number does not include an amount paid to Kodiak as required by Public Law 105-83.

**This number reflects the appropriation minus the rescission.

NOTE: Appropriations are added to the previous year's net receipts to make Revenue Sharing payments owed for the previous Fiscal Year (e.g., FY 2005 appropriations + FY 2004 net receipts = the Fiscal Year 2005 payments to units of local governments).

FY 1977 figures are for 15 months -- when the fiscal year was extended from June 30 to September 30.

FY 1980 is the first year appropriations were authorized to offset the difference between the receipts available for payment and the amount due local governments (Pub. L. 106-113). The numbers reflect Graham-Rudman -- Pub. L. 106-113 and Pub. L. 106-554 -- reductions.
