

## Guidelines for how long a plant survey in Oklahoma is valid

<u>SCIENTIFIC NAME</u>	<u>COMMON NAME</u>	<u>STATUS</u>	<u># of years</u>
<i>Platanthera leucophaea</i>	Eatern prairie fringed orchid	LT-EX	NA
<i>Platanthera praeclara</i>	Western prairie fringed orchid	LT-EX	NA

---

### Key

LE	Listed endangered
LT	Listed threatened
EX	Believed to be extirpated in Oklahoma
SA	Endangered due to similarity of appearance to other listed species.
C	Candidate (The Service has enough information to list the species as threatened or endangered, but this action is precluded by other listing activities).
NA	Not Applicable - Surveys are not required.
