

4-H Fishing Club

Wolf Creek National Fish Hatchery would like to invite you and your family to come down for our 4-H Fishing Club. This event takes place on the first Tuesday of the month, every month, starting in September 2013 and ending in May 2014. Meetings begin at 5pm CST and end at 6:30pm CST.

Each meeting will offer a fish related topic from discovering aquatic habitats to choosing the right tackle. Fishing at Hatchery Creek and the Cumberland River occur after most meetings, depending on weather. There will be guest speakers from local guides and Trout Unlimited!
