

# 2011 Alaska Fish Photo Contest

Fan of Alaska's fish? Give us your best shot!

The **U.S. Fish and Wildlife Service**, in partnership with **Stewart's Photo Shop** in Anchorage, is now accepting submissions for the 2011 Alaska Fish Photo Contest! We need your help getting great photos that can be used in educational materials to celebrate the diversity of Alaska's native fishes, their seasonal movements and behavior, and their importance to people and ecosystems in Alaska and beyond.

**In particular, we are looking for high resolution photos taken in Alaska that:**

- convey information about the natural seasonal behaviors and habitats of Alaska's fishes
- depict fish that are alive (ideally under water or held partially/fully submerged in the water)
- depict their different seasonal behaviors/habitats/life cycle stages
- capture the unique nature of subsistence, personal use, recreational, & commercial fisheries

**Entries for the 2011 contest must be postmarked by November 1, 2011**

(Photos submitted after that date will be entered into the 2012 contest)
