**Adjourn: no later than 5:00 pm**

**Friday, September 7th**

**7:30 am to 12:40 pm** **Field Trip (led by Larry Dalton, UDWR)**--Please meet in the Hotel lobby prepared to depart. Don't forget your binoculars!! The weather will likely be in the high 90<sup>0</sup>F range with 50% humidity, and thunder storms are normal. So, plan accordingly--hat, sun screen, rain jacket and field clothes.

Everyone must sign a UDWR liability release form.

**7:40 am**

**Charter Bus Departs downtown Hilton for Farmington Bay Waterfowl Management Area**

**8:20 am**

We will be visiting the Farmington Bay Waterfowl Management Area on the east shore of the Great Salt Lake. The Utah Airboat Association will provide opportunity for you to spend time on their airboats in the wetlands. In addition to the discussions about AIS impacts to Waterfowl Management Areas, you will learn about management of the Great Salt Lake's brine shrimp industry and its unique biology. The lake supports between 2 and 5 million shorebirds, as many as 1.7 million eared grebes, and hundreds of thousands of waterfowl during fall migration.

Water, snacks, restroom facilities, insects (just kidding—midges don't bite) and insect repellent will be provided.

**12:00 pm**

**Charter Bus Departs Farmington Bay WMA for downtown Hilton; arrival about 12:40 pm**
