Hi Matt,

I'm sorry it's not a good time. I have some news about Bob Colby among other things but will save it for when you are able to talk.

Hang in there! We'll connect next week.

Subject: ted up this week

Hi Rochelle -- been at office and just rec'd your voicemail. Sorry, tough day and tough week as we have regional meetings and a retreat ongoing here. Not the best time for a chat! Only news to report is: I had a good discussion with my counterpart who manages Mashpee NWR and Monomoy NWR and they are very interested in a future land swap that would benefit those refuges. We also had a very good site visit in Madbury NH 2 weeks ago and have already put in a request to purchase a parcel of land for Great Thicket NWR. SO lots of spinning plates here for sure. Unfortunately, nothing yet within the Parker River NWR area. Have a great meeting!
