You don't often get email from [administrator@townofnewbury.org](mailto:administrator@townofnewbury.org). [Learn why this is important](#)

I haven't heard back about this and am no longer available at 10am but am still available at 1pm. Has this meeting been confirmed?

Hi Valerie -- has this been scheduled yet? I'm holding the 20<sup>th</sup> at 10 and 1. Also, can you confirm whether you want to talk about the Pink House, the north end of Plum Island, the sewer pump station, or all of the above?

**Subject:** Meeting with Senator Tarr regarding the building exchange on plum Island

Good afternoon,

I first would like to introduce myself. I am Valerie Coolidge, and I am the new Director of Special Projects for Senator Tarr. One project that has come my way is the building exchange on Plum Island.

The Senator would like to set up a meeting with all of you to discuss this project. I have March 15<sup>th</sup> @3:30pm available on zoom. Please let me know if this time would work for you and if we need to I can come up with some new dates.

I am excited to be working on this project and can't wait to meet all of you soon.

Thanks, Valerie
