Kelly,

If you have a chance, would you mind providing me a brief history of aquaculture on the site as you know it? Especially since the renewal of the lease in 2007. It would help me provide background for folks during our discussion.

Thanks,

Jennifer

Jennifer,

I will try and get some alternate dates to meet with you. We will still be going out to the lease, just a site visit to determine boundary lines, habitat etc... I will get back to you next week about dates.  
Thanks.

Kelly,

We will be working at San Juan Islands NWR during the week of May 18th. Please let us know if there is another time that may be available. Fridays are generally difficult for us to schedule and Monday, May 25 is a holiday.

Sorry we are unable to make the trip,

Jennifer
