Thanks. I will forward your Federal Register notice to the Office of the Secretary for the final step in review.

They are supposed to review for OFR formatting.  
Thanks,

Hi Sara,

We had our DOI Review Team briefing today and our project was cleared to publish. Our RD signed the NOA following the briefing. I uploaded version 3 of the NOA which includes the RD's name. The Project Team is completing the Outreach Plan, so we will not file the document with EPA until the week of March 4th, with publication of the EPA and Service NOA on March 15th.

Thanks!
