Hey Paul- Patricia was proactive, and ensured that anyone that gets this email has access to that google drive to edit. We've tested it and it works. I think we are good!

Many thanks everyone for the help . . .

I'm about to send the email, but noted that all of the recipients don't have access to the Google drive. Could you please add [NEPA.depsec@ios.doi.gov](mailto:NEPA.depsec@ios.doi.gov), Gareth, Catherine, and anyone else you'd like to have access?

Much appreciated!
