Michelle,
Attached is a Peer Review Plan for a study we commissioned as a decision support tool for an EIS we are working on. I prepared way back when we first made contact but never sent it to you. I assume I send the plan to you; I didn't see any instructions on submittal.

The report is now complete. I will submit the peer reviews once our Final EIS is completed.

Let me know if there's something else I should do to submit the peer review plan.

Michelle,
I left you a vm yesterday but connection was bad so not sure you'd be able to understand me. Please give me a call when you get a chance. Our phone system here is wonky, so if you have trouble getting through to my office phone, call my cell.
Thanks.
