Hi Anne,

I will let Polly know and I just sent a msg to HQ asking them to follow up on it again. After we checked into the status last week, we heard from Andrea Travnicek's chief of staff that it was on her desk and that she would forward on to the Deputy Secty as soon as she surnamed it. I'll let you know as soon as I hear anything.

The waiver has not moved - it is still waiting for Principal Deputy Assistant Secretary

Travnicek will be back in the office on the 29th and may be able to look at it on the
29th. If she approves the waiver it will be sent to the Deputy Secretary's office for
review. It seems like the earliest this waiver could be approved would be around May
1st. Is that too late to get on to the agenda for the July meeting in San Luis Obispo? If
May 1st is too late, then we should probably just pull the waiver.
