Subject: GFNMS overflight permit for USGS UAV's
Date: 09/19/2012 03:16 PM

Hey Gerry,

I just spoke with Dan regarding the use of the USGS's UAV's in March or April and was wondering if you wanted me to contact Maria Brown about the over flight permit in order to start the 90 day clock for the permit application with FAA? I am more than happy to assist in any way that I can.
Thanks,

Gabrielle
