This version includes comments on remainder of Chapter 4, including a few things inserted in previous sections reviewed, as well as Chapter 5. All in all looks good but a bit of work to do on changes. Before it goes out again, please give it a good edit for grammar, spelling, use of acronyms, etc. I know its a big document and its a big job to do so. I caught some things but certainly not all.

Thanks again for all of your hard work and dedication to this project.

Gerry
