Subject: Gull Hazing Phone meeting Monday Aug 13 @ 10am
Date: 08/09/2012 03:38 PM

Hey There Hazing Team! (Sounds like a bad fraternity prank...)

We will be meeting via the wonders of the internet/phone on Monday morning to make a few decisions on several key staffing/design/funding issues and to check in and see how *Far-a-long* (*bad pun, I know...too much time with the EIS*) we all are with our action items from the last meeting a month ago.

Maddy and I will send out a draft agenda tomorrow with call-in info.

Gerry, if you could please send this email invite and the last action item list to Brian Popper and Cheryl Strong ASAP, it would be appreciated.

I'd wanted to have brought in other people/agencies to this meeting, such as Dennis Orthmeyer but the initial call to him should likely be made by Gerry first.

Thanks!
