Hey Gerry,

The 25th is the EIS review in Fremont or Santa Cruz; I don't think it has been officially decided. I think we should limit the attendees for that meeting to the reviewers of the core partner draft, and the gull hazing meeting should include USDA reps, and others who have experience hazing Western gulls. I will discuss an invitation list with Dan and get back to you next week. Thanks,

Gabrielle

I still have on the calendar meetings on July 11 (gull hazing trials) in Fremont and July 25 (partner review draft). Can't remember where we decided to have July 25 mtg. Could have it here if need be.

Can you send me a list of folks you would like invited to these so we can get invitation out? Thanks.

Gerry
