Thanks Gerry. Good comments.

We have developed a total budget for the trial of about \$90,000. I tried to get more info on the amount available from NFWF but heard nothing- I had heard \$50,000 in the past so we are asking for \$50k from NFWF and about \$40,000 from OWCN.

Here are my comments. Not sure how well it will fly without telemetry aspect, but worth a try. No budget in my version so can't comment on that.
Thanks for your efforts to get this together.
