Subject: quick comments on gull hazing plan
Date: 11/08/2012 09:54 AM

Dan,

Still have not reviewed completely, but a couple comments:

- 1) For helo landings on West End, helo must approach and depart from north to minimize overflights over other pinniped areas. Need to minimize the footprint.;
- 2) When I am not on the island, Jonathan will serve as a Deputy Coordinator along with Maddie.
- 3) All shell casings must be retrieved. I want nothing left behind.

Gerry
