Kyle,

The cooperator has a 2:1 match requirement on "base" funds that originate from the Refuge. Our expected base funds for FY18 is \$152,630. The cooperator's match would then be \$305,260.

The remainder of the \$180,000 put in the FA Reporting sheet is coming from NRDAR funds, which do not have a matching requirement.

Thus, the entire match would be \$305,260.

Gerry

Hi Gerry,

The DOI reviewers had the question about F14AC00237. Their question is: *what is the dollar amount of the match?* Please provide me a response to this question to forward along to DOI.

Thanks,  
Kyle
