

# Salmon Camp 2022

Salmon Camp is a summer science camp led by the Kodiak National Wildlife Refuge  
with support from partners such as Alaska Geographic.

## Call to enter camp registration lottery by April 3, 2022 (5:00pm)

*The Kodiak Refuge uses a lottery process in an effort to make access to Salmon Camp registration as equitable as possible for all those interested. After the lottery we will contact selected families to process registration forms. Normal registration is available after lottery for any remaining spaces. Camp fees can be waived. After lottery, selected families should complete registration by May 31st.*

**To be included in the lottery**, call (907) 487-0283 and provide the following information by April 3, 2022. If you reach a voicemail, please leave a detailed message including:

- Name of student.
- Grade of student in FALL 2022 (Students can only be in camps specific to their grade).
- Camp name (if more than one available for your age group).
- Contact name, best phone number and email address.
