Subject: March 17-18, 2014, Meeting of the Trinity Adaptive Management Working Group (TAMWG)

Greetings,

A public meeting and teleconference, of the TAMWG will meet from 10:00 a.m. to 4:30 p.m. Monday, March 17, 2014, and from 9:30 a.m. to 4:00 p.m. Tuesday, March 18, 2014. If you need special accommodations please email the point of contact and those accommodations will be provided. The meeting will take place at the Weaverville Fire District, 125 Bremer Street, Weaverville, CA 96093. You must contact Elizabeth Hadley (ehadley@reupower.com) no later than March 10, 2014 for further contact information. The primary objectives of this meeting will include discussion of the following topics: Designated Federal Officer (DFO) updates (including elections of TAMWG officials); TMC Chair report (including update on Wellock property, BOR water plan for 2014, and Klamath Fall Flows); Executive Director's report (including update on Phase 1 review and plan for implementation of recommendations); TRRP Workgroups update; Design update (including status of 2014 process/projects and 2015 planning); Flow recommendations; Trinity River Hatchery update; Decision Support System (DSS) demo; Reservoir Operations and Temperature Control; Panel discussion of 2014 projects; BLM Land Acquisition on the Trinity River; Program outreach; and public comment. Completion of the agenda is dependent on the amount of time each item takes. The meeting could end early if the agenda has been completed.

A draft meeting agenda will be available in the near future for download from the Arcata Fish and Wildlife Office website at <http://www.fws.gov/arcata>
