Subject: U.S. Fish and Wildlife Service Tribal Coordination Meeting with Southern California Indian Tribes and Bureau of Indians Affairs, Southern California and Palm Springs Agencies

Dear Mr. Eben:

In our continuing effort to coordinate and collaborate with Tribal governments in southern California, we, the U.S. Fish and Wildlife Service (Service), would like to invite you or your Tribal representative to attend the next coordination meeting at the Carlsbad Fish and Wildlife Office on June 11, 2015, from 9:00 a.m. to 11:00 a.m. The purpose of the coordination meetings is to facilitate routine communication among the Service, Bureau of Indian Affairs, and Tribal governments on upcoming species listing actions and/or critical habitat rulemaking, species reviews, consultations with other Federal agencies, or any other endangered species issues that may be of interest or concern to your Tribe. The meeting also will provide a forum to discuss any other fish and wildlife resource management issues or concerns Tribal governments may have and would like to discuss with or seek the technical assistance of the Service.

We look forward to working with you in partnership to protect the natural resources of southern California. If you have any questions about this meeting or suggested discussion items, please contact Scott Sobiech, Deputy Field Supervisor, at 760-431-9440, extension 248.

Sincerely,
