I have a call in to Nathan Dexter to see if we can make any of the preferred dates work. He said only the 11th works on the Doodle poll, but I am hoping he might be able to shift some things.

Thanks,
jennifer

Jennifer... I think so. Kelly was proposing the 14th if I recall. We can make that work.

Scott,

I saw that you entered your availability into the Doodle poll and I saw Kelly's message about Kurt Grinnell. Are you waiting for anyone else to enter their availability?

Thanks,

Jennifer
