Subject: Thank you
Date: Friday, June 7, 2019 9:19:33 AM

Thank you for taking the time to meet with me yesterday afternoon and for making me aware of the mitigation/monitoring and operations plans. We will take a look at them and assess whether or not the information provided alters our concerns regarding this project.

I am still having trouble finding the pest management information in the application material. Could you please provide the location?

Thanks again,
Jennifer
