Hi Jennifer,

I want to make sure I know what you are concerned about in the response to the tribe document. Is it that you are not sure communications actually took place between the Service and the tribe before 2005? Or prior to the lease from DNR being renewed in 2007? Or is your concern related to completion of the CCP in 2013 and uncertainty about whether the tribe *did* indicate a desire to renew their aquaculture permit before the CCP was completed?

I'm a little bit confused about where the weakness is.

Thank you,
Nicole
