

Black Bayou Lake

National Wildlife Refuge

Public Use Regulations 2025-2026

Black Bayou Lake NWR Hunting and Fishing Welcome

Black Bayou Lake National Wildlife Refuge, established in 1997, is one of over 560 national wildlife refuges. The primary objective of a national wildlife refuge is to provide habitat for the conservation and protection of all species of wildlife. The refuge contains a diversity of habitat types including freshwater lake, forested wetland, and upland pine forest.

General Information

Use caution when operating boats or wading in flooded areas of the refuge. Obstructions/obstacles may be submerged and unmarked. Daylight use only.

Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuges must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32). Firearm ammunition larger than a .22 caliber rim-fire is prohibited for hunting. Shotgun slugs, buckshot and lead shotgun ammunition are prohibited

Vehicles

Licensed motor vehicles are permitted only on public use roads.

Hunting and Fishing Regulations

Hunting and fishing regulations are designed to provide safe recreational opportunities through wise use of renewable wildlife resources. Hunting and fishing are permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations. Hunting and fishing will be in accordance with applicable State of Louisiana regulations subject to the conditions stated below. A signed refuge hunting permit (front of this brochure) must be carried by all hunters in addition to required State licenses to hunt.

Access

WHEN: Hunters may only access the Refuge no earlier than 4 am and must exit no later than two hours after legal shooting hours unless otherwise specified.

WHERE: Hunting is restricted in certain areas as shown on the hunting map. No hunting is allowed within 100 feet of the centerline of a designated road, refuge maintained road, pipeline, hiking trail, ATV trail, dwellings, above ground gas or electrical transmission facilities or designated public facility. Maintained road and hiking trail is defined as one that has been mowed, disked, or bulldozed and is free of trees. Hunters may not access the hunting area by boat from the public launch site.

Tree Stands

Tree stands, elevated platforms, and ground blinds may be put up each day but must be removed at the end of the day. Leaving personal property overnight is prohibited.

Harvest Reporting

A self-clearing permit is required for hunting on the Refuge. Permits can be obtained at entry points of the refuge. Self-clearing permits consists of three portions: Check-In, Check-Out, and a Vehicle tag. The Check-In Portion must be completed and put in the permit box prior to each day's hunt. The middle portion is the Daily Hunting Harvest Permit that must

Signature of hunter

This permit is valid only when signed and must be carried on hunter's person (may cut out)

be carried by each hunter while on the refuge. At the end of the day's hunt, the Daily Hunting Harvest Permit should be completed by each person indicating the number of game harvested (must indicate zero if no game was harvested). Do not include the number of game harvested by another person. Return the Daily Hunting Harvest Permit into the box before exiting the Refuge. Each person parking an automobile on the Refuge must leave the Vehicle tag on the dashboard of the vehicle face up so it can be read from outside of the vehicle. Each person riding in the vehicle should display their Vehicle tag on the dashboard.

ATV Regulations

ATVs are permitted on trails designated for their use (see map). The trails are marked with signs and will be closed March 1 through August 31. ATVs are prohibited from two hours after legal shooting hours to 4 am. Raccoon hunters may not use ATVs. ATV tires are restricted to those no larger than 26 x 12 with a maximum 1" lug height and a maximum allowable tire pressure of 12 psi. as indicated on the tire by the manufacturer. ATVS cannot exceed 750 lbs, 85" in length and 48" in width. Use of all other ATVs or ATV tires is prohibited on the refuge.

Bicycles

Bicycles including electric bicycles (e-bikes) are permitted on public roads, maintained refuge roads, hiking trails, ATV trails and maintained rights-of-way. Maintained refuge roads and maintained right-of-way is defined as one that has been mowed, disked, or bulldozed and is free of trees. Electric bicycles must be no larger than 750 watts.

Youth

Youths are defined the same as State regulations. Supervising adult may supervise only one youth on a big game hunt and no more than two youth on a small game or waterfowl hunt.

Warning

On February 17, 2025, the state of Louisiana issued the following fish consumption advisory for Black Bayou Lake: Women of childbearing age and children less than seven years of age should consume no more than one meal per month of bowfin (choupique, grinnel); OR should consume no more than three meals per month of largemouth bass. Other adults and children seven years of age and older: no advisory.

Signs and Boundaries

Signs are useful tools in regulating the use of a public area. The wording applies to the areas behind the signs. Pay attention to the signs, watch for boundary corners, and check your location with the maps.

This sign marks the refuge boundary. Public entry by foot is generally authorized at all times on the refuge.

This sign means that the area is closed to all entry. Do not trespass behind this sign for any reason other than an emergency.

This sign means no motorized vehicles beyond this point. This applies to all cars, trucks, jeeps, all-terrain vehicles, and motorcycles. Non-motorized and electric bicycles are allowed.
