Accessibility

Equal opportunity to participate in and benefit from programs and activities of the U.S. Fish and Wildlife Service is available to all individuals regardless of physical or mental ability. For more information, please contact the U.S. Department of the Interior, Office of Equal Opportunity at

<https://www.doi.gov/pmb/eeo/public-civil-rights>.

Call 956-244-2019 for more information about accommodations for hunters with disabilities. Request ability accommodations at least two weeks prior to your scout date.

Safety

Hunts are self-guided and in remote areas with limited vehicle access. Africanized honey bees, ticks, alligators, and rattlesnakes are commonly encountered on the refuge. Wearing snake gaiters or boots is recommended. Hunters must visibly wear 400 square inches of hunter orange, including 144 square inches visible on both chest and back, and a hunter orange cap or hat visible on head at all times while in movement throughout hunt units.

Firearms

Persons possessing, transporting, or carrying firearms on National Wildlife Refuge System lands must comply with all provisions of state and local law. Persons may use (discharge) firearms only in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32).

Vehicles

Licensed motor vehicles are permitted on designated Vehicle Access Roads. ATVs and UTVs are prohibited.

Camping

The only camping allowed on the refuge is at Adolph Thomae, Jr., County Park (956-748-2044).

Hunting and Fishing Regulations

Hunting regulations are designed to provide safe recreational opportunities through wise use of renewable wildlife resources. Hunting is permitted in accordance with federal regulations governing public use on national wildlife refuges as set forth in Title 50 of the Code of Federal Regulations.

Hunting is allowed in accordance with applicable Texas Parks and Wildlife Department (TPWD) regulations subject to the conditions stated below.

Access

WHEN: During permitted hunting periods, hunter access is allowed from 1.5 hours before legal sunrise to 1 hour after legal shooting hours. Hunters tracking game after sunset must call the **Hunt Check Station** at **956-443-9227**.

WHERE: Parking is allowed only at clearly designated parking areas or vehicle access roads. Hunters may only enter the unit via specified access points, and only drive on Vehicle Access Roads, as designated on the map. Bahia Grande Trail is a single-lane road; drivers in the Bahia Grande Unit must use designated pull-offs to accommodate oncoming traffic. Open trails in hunting areas may be accessed by foot, bicycle, or e-bike. The only authorized method of travel off trail is by foot. One Vehicle Validation Tag per hunter must be displayed face up on the vehicle dashboard at all times.

Permit Application Process

Refuge permits are processed through the TPWD Public Drawn Hunt System. Up to 4 hunters may apply on one application. Each hunter age 9 to 16 must be under the direct supervision of an adult age 18 or older. Applications must be completed online at https://tpwd.texas.gov/huntwild/hunt/public/public_hunt_drawing/.

Fees

Permits cost \$80.00 per hunter for hunts up to 3 days, and \$130.00 per hunter for hunts 4 days or more, plus a processing fee of \$3.00 per application. Hunt permits are non-transferable and all hunt fees are refundable. Hunts may be canceled/postponed without notice due to unforeseen, extenuating circumstances.

Hunter Orientation

Drawn hunters must read this attachment in its entirety and be in full understanding prior to hunting on the refuge.

An official form of identification, state hunting license, and state hunting permit number are required upon request.

Scouting

Hunt units are open to scouting sunrise to sunset the day prior to each hunt period. Up to two non-permitted people may accompany each hunter into hunt units only during scouting periods. A Vehicle Validation Tag must be displayed face up on the vehicle dashboard with all names legible.

Blinds and Stands

Hunting is allowed from portable stands or blinds, or by stalking and still hunting. Blinds/stands must be labeled with permit/license number, and must not be attached to trees or include natural vegetation.

Hunter Assistance

This can be a physically challenging hunt, and hunters are expected to harvest and retrieve their own game. Laguna Atascosa NWR is not an outfitter. A walk-in cooler is available at the Laguna Atascosa Unit Hunt Check Station, only for temporary storage during your hunts.

Field Dressing and Game Check

Harvested game must be field dressed (gutted) before removal from the unit. All game, including hogs, must be reported by telephone via text to the **Hunt Check Station** at 956-443-9227 with the following information: permit number, sex/species of harvest (if white-tailed buck, points), estimated weight, unit/location. Hunters must take with them all skins and carcasses removed from hunt units for inspection by TAHC (optional, may leave hide in field). Hunters must have proof of sex in accordance with TPWD.

Signs and Boundaries

- Parking Area: Designated area to park while hunting
- Refuge Boundary: Entry permitted in accordance with refuge regulations
- Closed Area: All entry prohibited
- No Hunting Zone: Hunting, weapons, and game retrieval prohibited
