

WEST BEAR CREEK UNIT HUNT MAP SAN LUIS NATIONAL WILDLIFE REFUGE

U.S. FISH AND WILDLIFE SERVICE
San Luis National Wildlife Refuge Complex

The Refuge hunting program is operated through a cooperative agreement between the U.S. Fish and Wildlife Service and the California Department of Fish and Wildlife.

WEST BEAR CREEK UNIT

REFUGE HUNTING REGULATIONS

The hunting of geese, ducks, coots, and common gallinules (moorhens) is permitted on designated areas of the refuge subject to the following conditions: (map on reverse):

1. You may possess not more than 25 federally approved nontoxic shotgun shells once you have left the parking lot.
2. Vehicles may stop only at designated, assigned parking areas. The dropping of passengers or equipment or stopping between designated parking areas is prohibited.
3. All permits must be completed and returned to the check station or drop box immediately upon completion of your hunt, and before using any tour routes or leaving the refuge vicinity.
4. Construction of permanent blinds is prohibited. You may use only portable blinds and temporary blinds constructed of natural materials. We prohibit the cutting/breaking of woody vegetation.
5. You must remove all portable blinds, decoys, and other personal equipment from the refuge following each day's hunt.
6. The use of motorized boats is prohibited.
7. Use or possession of alcoholic beverages while in the field is prohibited.
8. Fires are prohibited.
9. A maximum speed limit of 25 mph is strictly enforced.
10. Hunters must possess valid hunting licenses, stamps, and area permits while in the field.
