

Creatures of the Night

Come join us at the Water Resources Education Center for a FREE and informative FAMILY event that celebrates all of the animals that come out after dark. Learn about bats, see a live screech owl, and dissect an owl pellet. Afterwards, join us for a stroll along the river to look for some of these amazing creatures.

When: September 23rd, 5:30-7:30pm

Where: Water Resources Education Center
4600 SE Columbia Way
Vancouver, Washington

Sponsored by the U.S. Fish and Wildlife Service with support from Clark County Department of Environmental Services

Limited Space available
