

Deer Flat National Wildlife Refuge Presents...

Wild About Life

Lecture Series

~ Upcoming Lectures ~

April 3rd, Tuesday – Water does a lot for us...what can we do for water?

Join us as we discuss water quality issues in Idaho, the ways in which we as individuals contribute to water pollution, and what we can all do to help.

Friends of Deer Flat Wildlife Refuge meeting to follow.

Amy Luft, Department of Environmental Quality

May 8th, Tuesday – Fish of our Northwest

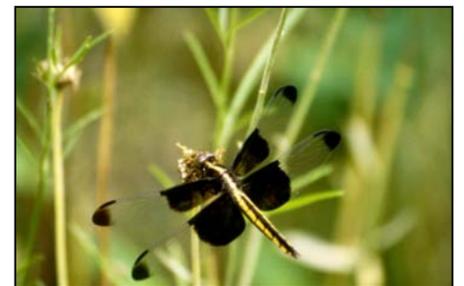

Discussion of Idaho's local fish, how to identify them, and discussion of local riparian areas and human impact.

Amy Parrish, Idaho Fish and Game

June 5th, Tuesday – Bio-Diversity! What is it and why do we care?

Discussion of biodiversity to kick off the series of events for BioBlitz. This interactive talk will focus on animal diversity and the role zoos play in contributing to conservation efforts.

Rena Ashton, Zoo Boise
