

Help us celebrate Free Fishing Day!

We need your help on June 8th to make
Deer Flat National Wildlife Refuge's
Annual Kids' Fishing Day event a success.

To celebrate Free Fishing Day, Deer Flat National Wildlife Refuge is planning Kids' Fishing Day activities at Gotts Point on Saturday, June 8th. From 10 AM to 3 PM, kids can learn about fish biology, fishing ethics, and water safety. Visitors will have a chance to practice casting and rigging and then test their newly-learned skills by fishing in Lake Lowell!

Interested in volunteering? Please fill out the attached form and send it to Heidi Fencik at deerflat@fws.gov, or call 467-9278. Please return by May 24th.
